

SPOOKY EATS

GRADES K-5

Looking for a fun and edible craft for the kids to make this Halloween? Join ShopRite Dietitian Michelle Mattia to create a festive and creepy edible craft (or two)! Learn about healthier Halloween treats and learn what we should “gobble” up as healthier alternatives. Participants will receive all needed materials for the program and materials will not be shared between households. At least one parent/ guardian must be in attendance with each household. Enfield residents can register their household (up to 5 people) for a table for this program. Due to the prevalence of allergies, this is a nut-free program. Please let us know if anyone attending has any food allergies. Space in this program is limited so we highly encourage you to attend if you register. Kindy contact us if you decide you cannot attend so we can open up your spot to others who may be interested. Inclement weather will cancel this program. **Limit: 8 households.**

We encourage participants to wear their Halloween costumes!

Date: Saturday, October 31, 2020
